The Grade is the amount of ranking points available, the lower the grade of tournament the better the standard of players so Grade 4's are generally more difficult than tournaments graded 5 and grade 6s are only for ratings no ranking points are available. There are limited number of spaces in all of these tournaments and players are accepted based on their LTA rating and ranking.

The Lancashire Adult Circuit is a series of events hosted here and other venues with the top 8 players who accumulate the most points being invited to play in the finals.

We have also got many more events planned including social tournaments, Team Challenge, Road To Wimbledon & Aegon Team Challenge

Please note that these events are all online entry and should be entered and paid for via the LTA Website before the closing date which is a week before the start date. For more info or any difficulties in entering please contact tom1803@hotmail.co.uk
