Committee News

Thank you to our members and non-members for your continued support. We are a registered Community Amateur Sports Club (CASC), which means the club is primarily owned by its members. The Volunteer Management Committee truly values its members and their support, therefore please do not hesitate to approach us with feedback, suggestions, concerns and ideas to help make the club a success.

As with any new project we have encountered setbacks which directly affected members but want to reassure everyone that all decisions and plans are for the benefit of our members & families.

Your Committee meet every 4-6 weeks and the current items under discussion at the moment are:

Great British Tennis Weekend

The Great British Tennis Family Fun Day was a **HUGE SUCCESS**, with a fantastic turnout of over 200 people attending and over 150 participating in the planned activities. Thank you to those members who attended and supported the club, and a special thanks to all the volunteers and coaches that gave up their afternoon to help. Without you we would not have been able to put on such a successful day. It was good to see new people coming to the club and appreciating the fabulous facilities we have.
